Heaven's View Lincoln City is one of the finest executive rental properties on the Oregon Coast. The home has 5 large bedrooms and is 3708 sq. ft. on a 1/4 acre lot. Four of the five rooms have King-sized Sealy Posturepedic beds, ceiling fans and huge walk-in closets. The fifth bedroom has 1 queen and 2 twin beds. There are also 3 additional twin beds if necessary. The rooms are nicely spaced between levels of the home which will give team members their own space in the evenings (2 bedrooms on 1<sup>st</sup>, 1 on the 2<sup>nd</sup> and 2 on the 3<sup>rd</sup> floor).

This executive rental has wireless internet, a computer workstation and a quality entertainment center for presentations or fun! This includes a wall-mounted 42" Sharp Aquos LCD TV, Onkyo receiver, DVD player, XM Radio and HD cable package with HBO and Cinemax. It also has a fantastic boardroom like Mahogany table on the western end of the home overlooking the Pacific Ocean.

Pictures can't do justice to this view as you can literally see the curvature of the earth as you gaze at the ocean. There are views from all 3 levels of the home. The rental is nicely suited for both summer and winter months as it is 170 feet above the ocean and is PERFECT for whale watching and storm watching! During summer months you often see the wind surfers hitting the waves from this home as their favorite spot is just to the north of the home.
